

Zaher **EL BIZRI**

GRAPHIC DESGIN  
PORTFOLIO

Zaher EL BIZRI is a renowned visual artist who has garnered international acclaim for his captivating artworks. He holds a Diploma in Fine Arts (Beaux Arts) in Painting and Drawing from the Lebanese University, which he obtained in 2000. Since then, he has dedicated his career to the pursuit of artistic excellence, actively engaging in painting, teaching, and graphic design.

EL BIZRI's artistic journey has been marked by numerous exhibitions, both within Lebanon and across the globe. His captivating creations have graced galleries and art spaces in France, Britain, Italy, the United States, Syria, Jordan, and Qatar. His works showcase a remarkable versatility, encompassing a diverse range of mediums, including paintings, drawings, and digital art.

Beyond his mastery of traditional visual arts, EL BIZRI has also established himself as a skilled graphic designer. His expertise extends to magazine and book design, digital illustration, 2d animation, website design, and social media graphics. His designs exude a unique blend of creativity and technical proficiency, effectively capturing the essence of each project.

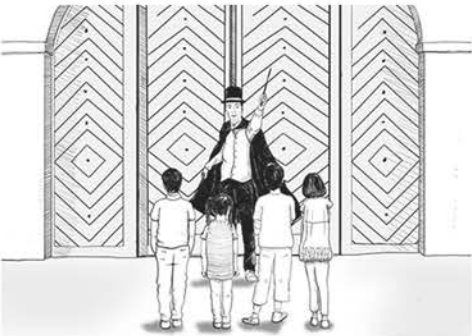

EL BIZRI's artistic endeavors have garnered him widespread recognition and appreciation. His works have been featured in prestigious publications and exhibitions, cementing his reputation as a leading figure in the contemporary art scene. His unwavering dedication to his craft continues to inspire and captivate audiences worldwide.

#### DERMAL FILLERS

Dermal fillers help restore volume and smooth facial lines. Using precision, hyaluronic acid fillers restore volume to the face and give a more vibrant and youthful appearance. Commonly treated areas are cheeks, nose (bridge), under eyes, laughing lines, lips, chin and jaw.

#### NEUROTOXIN (BOTOX)

Neurotoxin relaxes the Botox & Dysport, will improve the appearance of the face and wrinkles. It is commonly used for forehead, under eyes, jawline, chin, lips, and more.

#### THREADS

Threads lift is a non-surgical facial lifting where temporary threads are used to tighten the skin. It is ideal for chin, cheeks, jawline, and more.

#### DEOXYCHLORIC ACID

Deoxychloric acid is a non-surgical facial lifting where temporary threads are used to tighten the skin. It is ideal for chin, cheeks, jawline, and more.

#### PRP (PLATELET-RICH PLASMA)

PRP is a natural skin care treatment that uses your own blood to stimulate collagen production and skin rejuvenation. It is ideal for chin, cheeks, jawline, and more.
